

What is a resource center?

A convenient one-stop service center with access to a variety of community services and information. We specialize in employment and training, and can help you find a job or explore a new career.

Our friendly staff is available at all times for assistance. After a guided tour of the center, you will find immediate access to:

career exploration

- labor market information
- occupational outlook reports
- self-assessment

reference

- interviewing strategies
- job reference books
- video viewing area
- unemployment insurance information & referrals

computer stations

- access to job related internet sites
- comprehensive list of job search links
- CalJOBS enrollment and job search
- resume writing programs

job search tools ...

- all local newspapers
- copier / printer / fax / typewriter
- job board - updated daily
- networking workshops
- phone center
- referrals

job search tools and other services are available at no cost
