ANNOUNCEMENTS

Winning the Employment Game will be held from November 30 to December 7 in the Fort Bragg office.

APPROVAL OF MINUTES

Minutes of 9-14-06 approved.

ADDITIONS TO AGENDA

none

Agency Reports

MPIC – Cindi & Pam - Mendocino Works received their new allocation for ancillary funding.

CRI - Joyce reports that CRI got WIPA – Work Incentives Planning Assistance. She also reports that they are no longer receiving “ticket” referrals from Maximus.

College of the Redwoods - David reports that the science lab to be updated at COR has been delayed due to funding concerns. He also advises the group that the Spring schedule is now available on-line. At www.redwoods.edu

WEST Co. - Rachel – Just finished a series of West Company classes. The next series is expected to start in January. West Company has updated it’s website – take a look. On the first and third Wednesday of each month West Company conducts a radio talk show at 7PM on KZYX at 88.1FM or KZYZ at 90.7 PM.

Referral Fair to possibly take place at College of the Redwoods. We discussed what this might look like – Employment Fair? Community Resource Fair? Chamber event? David will check in with others at the college to see when might be an appropriate date to have this on their quad. It might be a job fair from 11-1 with various agencies setting up booths for information after 1 then have a mixer in the evening letting employers know about various community agencies/services.

Follow Up Items

Next Meeting: January 25, 2007 at 1:30PM
